Academic Appointments

- Mar 2024 Present** - Teaching Fellow, School of Psychology, College of Life and Environmental Sciences, University of Birmingham
- Jan 2024 Present** - Research Fellow, School of Education, College of Social Sciences, University of Birmingham
- Oct 2022 Present** - Visiting Lecturer, Tutor and Supervisor, Department of Psychology, Faculty of Business and Social Sciences, Kingston University London
- Sep 2022 Present** - Research Fellow in Youth Mental Health, Institute for Mental Health, School of Psychology, College of Life and Environmental Sciences, University of Birmingham
- Nov 2022 – Jan 2023** Research Fellow, Institute of Psychiatry, Psychology & Neuroscience, King's College London
- Aug 2022 – Aug 2023** Research Fellow and Academic Mentor, Department of Psychology, Faculty of Business and Social Sciences, Kingston University London
- May 2022 – Aug 2022** Research Fellow, Department of Psychology, Faculty of Business and Social Sciences, Kingston University London
- Apr 2022 – Jul 2022** Module Convenor, Department of Organizational Psychology, Birkbeck, University of London
- Jan 2022 – Aug 2022** BSc and MSc Supervisor in Psychology, ICPS College for Humanistic Sciences
** ICPS is an international partner of the University of Central Lancashire since 2007*
- Jan 2022 – Mar 2022** Seminar Leader, Department of Organizational Psychology, Birkbeck, University of London

- Sep 2021 – Jul 2022** Associate Lecturer, Department of Psychology, London Metropolitan University
- April 2019 – Jul 2021** Research Assistant, Department of Psychology, Faculty of Business and Social Sciences, Kingston University London
- Sep 2018 – Sep 2022** Hourly Paid Lecturer and Seminar Leader, Department of Psychology, Faculty of Business and Social Sciences, Kingston University London
-

Education and Relevant Qualifications

- Oct 2017 – Nov 2022** Ph.D. in the Department of Psychology, School of Law, Social and Behavioural Sciences within the Faculty of Business and Social Sciences, Kingston University London, United Kingdom.
Thesis title: The social inclusion of adolescents with visual impairments: a multidimensional approach.
Supervisors: Dr Fiona Barlow-Brown, Emerita Professor Evanthia Lyons, Dr Maria Livanou
- Jan 2019 – Jun 2019** - Associate Fellowship of the Advance HE (formerly Higher Education Academy)
Fellowship Reference: PR170067
- Oct 2016** Qualified Teacher Status (QTS)
Teaching Reference Number: 1676015
- Nov 2013 – Apr 2016** - MSc in Pedagogy
Primary field: Special Education, Department of Philosophy and Pedagogy, Aristotle University of Thessaloniki, Greece.
Dissertation title: The experiences of studies in higher education from the perspective of students with visual impairments.
Grade: 9.20/10 (1st)
Supervisor: Dr Maro Doikou
- Oct 2009 – Jul 2013** - Degree in School of Primary Education, Aristotle University of Thessaloniki, Greece.
Grade: 8.02/10 (2:1)

Funding and Awards

- Sep 2023 – Aug 2024** – **Thomas Pocklington Trust Research Grant, United Kingdom – FR-00495**
Grant amount: £47,599.00
Project title: Developing university guidance for the socio-emotional needs of students with Vision Impairment
Role: Principal Investigator (PI)

- Mar 2023** **College of Life and Environmental Sciences – Impact Fund, University of Birmingham**
Activity title: Research funding for participant reimbursement (vouchers and payments)
 Grant amount: £500
- Mar 2023** **Conference Travel Fund, School of Psychology, University of Birmingham**
 Grant amount: £150
Purpose: Visit to [A specialist residential college for young people with visual impairment \(rnc.ac.uk\)](http://rnc.ac.uk)
- Jan 2024 – Jul 2024** **IAS Follow on Funding, University of Birmingham, United Kingdom - IGI-IAS 7078**
 Grant amount: £10,000.00
Project title: Promoting the school inclusion of children and adolescents with sensory impairment: The development of a digital intervention
 Role: Principal Investigator (PI)
- Jan 2024 – Sep 2024** **First Grants and Kickstarter Schemes, Kingston University London**
 Grant amount: £9,930
Project title: Redefining sleep: Empowering autism through a participatory approach
 Role: Co-Investigator
- Sep 2023 – Dec 2023** **Successful IAS Workshop proposal [Propose an IAS Workshop - University of Birmingham](#): Promoting the school inclusion of children and adolescents with sensory impairment: The development of a digital intervention**
 Outcome: The Institute for Global Innovation within the University of Birmingham agreed to organise and support a one-day workshop with refreshments and lunch for up to 15 participants, and hybrid facilities to allow external participation. This workshop brought together colleagues from the Schools of Psychology, Education, Computer Science and Chemistry, King's College, Birmingham City Council and Bristol City Council
 Role: Principal Investigator (PI)
- Mar 2023** **Conference Travel Fund, School of Psychology, University of Birmingham**
 Grant amount: £350
Purpose: Attendance of the 18th Biennial Meeting of the Child Vision Research Society CVRS 2023
- Mar 2023** **College of Life and Environmental Sciences – Impact Fund, University of Birmingham**
 Grant amount: £500
Activity title: Engaging with Eye-YPAG <https://generationr.org.uk/eye-ypag/>

- Jan 2023** **Conference Travel Fund, School of Psychology, University of Birmingham**
Grant amount: £165
Purpose: Attendance of the VIEW Annual Conference 2023
- Dec 2022 – Jul 2023** **Public Engagement Fund, University of Birmingham**
Grant amount: £1,990.00
Project title: Meeting the social emotional needs of adolescents with sight impairment and preventing school exclusion: The development of a digital intervention based on an adolescent and adult advisory group
Role: Principal Investigator (PI)
- Sep 2022 – Jul 2023** **Santander Universities**
Developing Minds Lab, Kingston University London
Grant amount: £20,750.00
Project title: Supporting autistic students in higher education
Role: Co-Investigator and External Collaborator
- Sep 2022** **Conference Travel Fund, School of Psychology, University of Birmingham**
Grant amount: £540
Purpose: Attendance of the 3rd Panhellenic School Psychology Conference
- Sep 2022** **Conference Travel Fund, Institute for Mental Health, University of Birmingham**
Grant amount: £815
Purpose: Attendance of the BPS Cognitive and Developmental Sections Annual Conference 2023
- Feb 2022** **‘Making the Future’: An interdisciplinary series of postgraduate conferences at Kingston**
Kingston University London
Grant amount: £900
Role: Co-Organiser
- Jul 2021** **Academic Impact Award Nominee**
Finalist for the Best Postgraduate Teacher Award Kingston University London based on BSc and MSc students’ nominations for exceptional Teaching
- May 2021 – Jul 2021** **Equality Diversity and Inclusion Research Fund (ediRF)**
School of Law, Social and Behavioural Sciences, Kingston University London
Grant amount: £4,500.00
Project title: Exploring the service experiences of LGBTQ+ youth with special education needs and disabilities: A multi-perspective focus group study
Role: Co-Investigator
- Jan 2021 – Jul 2021** **GRS Activity Support Fund Award**
Graduate Research School, Kingston University London
Grant amount: £200

- Jan 2020 – Sight for Surrey Vision Rehabilitation Services - RCP 10157**
Jan 2021 The National Lottery Community Fund and Sight for Surrey
 Grant amount: £10,000.00
Project title: How do specialist vision rehabilitation services impact the lives of children and adolescents with visual impairments?
 Role: Co-Investigator and Principal Researcher
- Apr 2020 – “Research during lockdown” Fund**
Jul 2020 Faculty of Business and Social Sciences, Kingston University London
 Grant amount: £600
Project title: The impact of COVID-19 outbreak on young adults’ alcohol and cigarette consumption
 Role: Co-Investigator
- May 2019** **PhD Research Grant**
 Sir Richard Stapley Educational Trust
 Grant amount: £1,000
- Jun 2019** **1st prize for the Best New Researcher**
 10th Annual Faculty of Business and Social Sciences (FBSS) Conference, Kingston University London
Paper: Self-concept in adolescents with visual impairments
- Nov 2013** **Came first after written and oral examinations, in the field of Special Education**
 MSc of Pedagogy
 Aristotle University of Thessaloniki, Greece (2013)

Publications

Peer-reviewed publications

- **Manitsa, I.**, & Barlow-Brown, F. (accepted). Exploring the “interactive” hypothesis in adolescents with vision impairment: The relationship between school belonging and self-esteem. *Psychology*.
- **Manitsa, I.**, Livanou, M., Burnett Heyes, S., Barlow-Brown, F., Gardia, N., Siegfried, O., Clarke, Z.*, Coelho, H.*, & De Caro, A. (accepted with minor revisions). The development of Vi-Connect: An educational game for the social inclusion at school of students with vision impairment. *PLOS ONE*. *authors contributed equally
- **Manitsa, I.**, Gregory, A., Broome, M., Marwaha, S., Bagshaw, A., & Morales-Munoz, I. (accepted). Shorter night-time sleep duration and later sleep timing from infancy to and adolescence. *Journal of Child Psychology and Psychiatry*. <https://doi.org/10.1111/jcpp.14004>
- Day, Ed., **Manitsa, I.**, Farley, A., & Kelly, J. (2024). The UK National Recovery Survey: nationally representative survey of people overcoming a drug or alcohol problem. *BJPsych Open*. <https://doi.org/10.1192/bjo.2023.654>
- **Manitsa, I.** (2023). Conceptualising social inclusion and examining its relationship with social competence. *British Journal of Visual Impairment*. <https://doi.org/10.1177/02646196231212744>

- Heneghan, A., **Manitsa, I.**, Livanou, M., & Treasure, J. (2023). The perceived experiences of having a sibling with an eating disorder: A systematic review of the literature. *European Eating Disorders Review*. <https://doi.org/10.1002/erv.3051>
- Day, Ed., **Manitsa, I.**, Farley, A., & Kelly, J. (2023). A UK national study of prevalence and correlates of adopting or not adopting a recovery identity among individuals who have overcome a drug or alcohol problem. *BMC Substance Abuse Treatment, Prevention & Policy*. <https://rdcu.be/droEY>
- **Manitsa, I.**, Barlow-Brown, F., & Livanou, M. (2023). Evaluating the role of social inclusion in the self-esteem and academic inclusion of adolescents with vision impairment. *British Journal of Visual Impairment and Blindness*. <https://doi.org/10.1177/02646196231183888>

It is currently the ninth most read article in the British Journal of Visual Impairment, a key journal in the field of vision impairment.

- Livanou, M., Bull, M.*, **Manitsa, I.***, Hunt, J., Lane, R., & Heneghan, A. (2023). Coproducing a complex psychosocial intervention during Covid-19 with young people transitioning from adolescent secure hospitals to adult services in England: moving Forward intervention (MFi). *Child and Adolescent Mental Health*. *Second authorship; authors contributed equally.
- **Manitsa, I.**, & Barlow-Brown, F. (2022). The role of habilitation services in the lives of children and adolescents with visual impairments. *British Journal of Visual Impairment*. <https://doi.org/10.1177/02646196221144870>

It is currently the eleventh most read article in the British Journal of Visual Impairment.

- Montague, A., **Manitsa, I.**, & Barlow-Brown, F. (2022). A qualitative insight into factors pertaining to alcohol consumption among young adult women during the COVID-19 outbreak. *Emerging Adulthood*, 10(2), 511-518. <https://doi.org/10.1177%2F21676968211067327>
- **Manitsa, I.**, & Doikou, M. (2020). Social support for students with visual impairments in educational institutions: An integrative literature review. *British Journal of Visual Impairment*, 40(1), 29-47. <https://doi.org/10.1177%2F0264619620941885>

It is currently the second most read (first most read by December 2023) and the second most cited in the British Journal of Visual Impairment (by December 2023).

- **Manitsa, I.**, Barlow-Brown, F., & Lyons, E. (2019). Self-concept of adolescents with visual impairments. *British Journal of Visual Impairment*, 38(2), 160-167. <https://doi.org/10.1177/0264619619883900>

Manuscripts Under Review

- Livanou, M., **Manitsa, I.**, Hulusic, V., Samara, M., Bull, M., & De Caro, A. (2024). The development of ReGoal, a serious mobile game for young people 11-16 years with conduct problems. *Behaviour & Information Technology*.

Manuscripts in Preparation (in submission order)

- Currently preparing with the research team the paper of the research project “Developing university guidance for the socio-emotional needs of students with vision impairment” (first author)

- Currently preparing with the research team the paper of the research project “*Developing a digital intervention for the school inclusion of children and young people with sensory impairments in mainstream schools*” (first author)
- Currently preparing with Dr Elisa Back and the research team the paper of the research project “*Wellbeing and experiences of autistic students in Higher Education*”
- Currently working with Dr Day, Dr Farley, and Dr Kelly on a qualitative paper on substance use, addictive behaviours, recovery, and the evaluation of Better Than Well
- Currently preparing with Dr Maro Doikou the paper of the research project “*Teacher experiences of social and emotional learning*”
- Currently preparing with Ms Ourania Makariou (primary school teacher in Greece) “*Development of innovative audiovisual material in the primary school for the content of nanotechnology*”

 - Manitsa, I. (21 May 2019). *The self-concept of adolescents with visual impairments*. Oral presentation at the British Psychological Society (BPS) Postgraduate Meeting, London, UK.
 - Manitsa, I. (30 October 2018). *Social inclusion and the differences in self-concept between adolescents with visual impairments and their sighted peers*. Poster

presentation at "Sensing Nature: Wellbeing with nature and sight impairment" Exhibition, London, UK.

- Manitsa, I., Barlow-Brown, F. & Lyons, E. (21 February 2018). *The role of friendship and the importance of social relationships on students with visual impairments and their sighted peers*. Poster presentation at the "Children, Tablets and iPads: Concerns and New Possibilities" Open Lecture with Professor David Messer and the CDLD lab, Kingston University London, UK.
- Manitsa, I. (2014). *The Interdisciplinary school project " Nazism: The black pages of the History"*. Oral presentation at the "School Projects about Nazism" Day Conference, Department of Philosophy and Pedagogy, Aristotle University of Thessaloniki, Greece.

Media Appearance

- Video release for the IBSA World Games 2023 hosted by the University of Birmingham (9 August 2023): [Social Inclusion of Blind and Partially Sighted Children | University of Birmingham - YouTube](#)
- Press release (7 July 2023): [Students with low vision may feel more socially excluded than blind or sighted peers - University of Birmingham](#).
- Manitsa, I. (23 January 2023). "Social support for students with visual impairments in educational institutions: An integrative literature review". In *PodScholars*. <https://podscholars.com/podcast/Ifigeneia-Manitsa-63cea18f1ca99faa9d9d663c/social-support-for-students-with-visual-impairments-in-educational-institutions-an-integrative-literature-review>
- Interview on Emotional Abuse in the working and school environment. "PolitikoLOGOS" Live Radio, Greece (10/02/21).
- PhD research featured on RNIB's (Royal National Institute of Blind People) Connect Radio (12/11/20).

Involvement in Government Consultation or Call for Evidence

- Improving non-medical help for disabled students in higher education: Government call for evidence [Improving non-medical help for disabled students in higher education: Government call for evidence - Department for Education - Citizen Space](#)

Collaborating with [Thomas Pocklington Trust](#) and submitting evidence from the research project "*Developing university guidance for the socio-emotional needs of students with Vision Impairment*" (Role: Principal Investigator)

Research Experience

Proficient User of advanced quantitative (SPSS, PROCESS, JASP) and qualitative research and analysis (Thematic Analysis, Framework Analysis, IPA). Experienced in systematic and integrative reviews, and experimental delivery software, such as Qualtrics.

Active Research Projects

Research Projects at the University of Birmingham

- Apr 2024 Present** - **Exploring the social emotional needs of students with life-limiting conditions and progressive disorders: A case study of young people with vision impairment**
Role: Principal Investigator (PI)
 Co-Investigators: Dr Valerija Tadić (University of Greenwich); Dr Jessica Hayton (UCL)
Research partnership with the Royal National College For The Blind (RNC)
[A specialist residential college for young people with visual impairment \(rnc.ac.uk\)](http://rnc.ac.uk)
 Tasks: currently preparing the ethics application and study materials
- Apr 2024 Present** - **An international representational study of wellbeing of diverse students in Higher Education**
Role: Principal Investigator (PI)
 Other PIs (multiple PIs): Dr Melissa Fanshawe (University of Southern Queensland, Australia); Dr Yaprak Tavman (University of York)
 Tasks: currently preparing the ethics application and study materials
- Jan 2024 Present** - **Developing a digital intervention for the school inclusion of children and young people with sensory impairments and learning disabilities: A co-production research approach**
Role: Principal Investigator (PI)
 Co-Investigators: Professor Matthew Broome; Professor Graeme Douglas (VICTAR, University of Birmingham); Dr Emmanouela Terlektsi (School of Education, University of Birmingham); Dr Leonardo Stella (School of Computer Science, University of Birmingham); Mr Pieter Joubert (School of Computer Science, University of Birmingham); Ms Hester Richardson (School of Education, University of Birmingham)
 Game Developer: Mr Alberto De Caro (Bournemouth University) and Ms Freya Shaw (University of Huddersfield)
 Tasks: currently preparing the external funding application (Stage 2) for [Welcome to Baily Thomas Charitable Fund | Baily Thomas Charitable Fund](#)
- Jan 2024 Present** - **Developing a digital intervention for the school inclusion of children and young people with sensory impairments in mainstream schools** (supported by the Institute of Advanced Studies, University of Birmingham)
Role: Principal Investigator (PI)
 Co-Investigators and Collaborators: Professor Matthew Broome; Professor Graeme Douglas (VICTAR, University of Birmingham); Dr Emmanouela Terlektsi (School of Education, University of Birmingham); Dr Leonardo Stella (School of Computer Science, University of Birmingham); Mr Pieter Joubert (School of Computer Science, University of Birmingham); Dr Maria Livanou (King's College London); Children and Families Directorate, Birmingham City Council
 Game Developer: Mr Alberto De Caro (Bournemouth University)
 Tasks: setting up the research team; internal grant application; ethics application; contact with national organisations and professional services; preparation of quantitative and qualitative materials; data collection (interviews and focus groups); thematic analysis; game storyline;

supervision of the Game Developer working on the intervention and the RA working on the project; drafting reports and peer-reviewed paper

May 2023 - Present - **Promoting the employment needs of people with vision impairment through the development of a workplace intervention**

Role: Principal Investigator (PI)

Co-Investigators: Dr Arianna Prudenzi (University of Sheffield); Dr Rachel Hewett (VICTAR, University of Birmingham); Dr Paul Lynch (University of Glasgow); Professor Graeme Douglas (VICTAR, University of Birmingham)

Tasks: currently revising the project plan and funding application

Nov 2022 - Present - **Developing university guidance for the socio-emotional needs of students with vision impairment** (supported by the Thomas Pocklington Trust Research Grant)

Role: Principal Investigator (PI)

Co-Investigators: Dr Fiona Barlow-Brown (Kingston University London); Dr Rachel Hewett (VICTAR, University of Birmingham); Dr Mhairi Thurston (Abertay University); Professor John Ravenscroft (University of Edinburgh), Dr Joao Roe (Sensory Support Service in Bristol)

Tasks: setting up the research team; external grant application; ethics application; contact with national organisations and professional services; preparation of qualitative materials; supervision of the Research Associate (RA) of the project; development and chairing of adult advisory group; thematic and content analysis, writing of reports and peer-reviewed papers; organisation of dissemination event (livestreamed workshop)

Apr 2023 - Present - **Suicidal ideation, homicidal ideation, and self-harm in young carers**
Role: Research Fellow and Named as Research Fellow in the funding application

PI: Dr Siobhan O'Dwyer (School of Social Policy, University of Birmingham)

Other Co-Investigators: Professor Elizabeth McDermott; Dr Maria Michail

Tasks: scoping review; support with the drafting of grant application; support with the planning of co-production activities

Sep 2022 - Nationally representative general population survey of substance use and addictive behaviours in the UK

Present

Role: Main Data Analyst and Co-Investigator

PI: Dr Ed Day

Other Co-Investigators: Dr Amanda Farley (Institute of Applied Health Research, University of Birmingham); Professor John F. Kelly (Harvard Medical School)

Tasks: analysis of quantitative data (frequencies and cross-tabulations; binomial and multinomial logistic regression; development of univariable and multivariable models); analysis of qualitative data (framework analysis of survey data), drafting multiple peer-reviewed papers; working on a ESRC grant application that will evaluate [Better Than Well is a student-led addiction recovery program at the University of Birmingham. - University of Birmingham](#)

Research Projects at the University of Thessaly (upcoming research affiliation with the Special Education Department, University of Thessaly as a Postdoctoral Researcher)

Jan 2024 - The social and emotional development of students with vision impairments and the design of educational strategies and interventions: A participatory holistic approach (research affiliation with the University of Thessaly, Greece)

Present

Role: Postdoctoral Researcher

Supervisor: Vasilis Argyropoulos (Associate Professor, Special Education Department, University of Thessaly, Greece)

Tasks: currently working on the research application (project expected to start in September 2024)

External Collaborations

Mar 2024 - Digital Communication within a neurodiverse framework: supporting Google's clients and users (2023-2024)

Present

Role: Consultant

PI: Dr Elisa Back (Kingston University London)

Oct 2023 - Teacher experiences of social and emotional learning

Present

Role: Co-Investigator

PI: Dr Maro Doikou (Aristotle University of Thessaloniki)

Tasks: integrative review; preparation of publications (peer-reviewed conference and article)

Sep 2023 - Redefining Sleep: Empowering Autism Through Co-Production

Present

Role: Co-Investigator

PI: Dr Dina Spano (Kingston University London)

Other Co-Investigators: Dr Elisa Back (Kingston University London); Dr Katharine Clifford (Kingston University London); Dr Jess Prior (Kingston University London)

Tasks: preparation of research plan and funding application; ethics application

- Aug 2022 Present** - **Wellbeing and experiences of autistic students in Higher Education**
(supported by Santander Universities)
Role: Co-Investigator, External Collaborator and Mentor (paid position)
PIs: Dr Elisa Back and Professor Helen Laville (Kingston University London)
Tasks: preparation of qualitative research materials (interview schedule); co-organisation of peer networking events; training of autistic undergraduate researchers (e.g., literature reviews, development of research questions, semi-structured interviews, and thematic analysis); thematic analysis; writing of peer-reviewed paper
- Jan 2022 Present** - **Addressing behavioural problems to improve daily life for families and young people with the use of Regoal game-based intervention: A pilot and feasibility study in an underserved London borough**
Role: Co-Investigator (also paid position at Kingston University from January to June 2022 and King's College from November 2022 to January 2023)
PI: Dr Maria Livanou
Other Co-Investigators: Dr Vedad Hulusic (Bournemouth University); Professor Muthanna Samara (Kingston University London)
Tasks: ethics application; preparation of quantitative and qualitative materials, survey and focus groups with adolescents; game storyline; mixed-method data analysis; writing of peer-reviewed paper; co-organisation of dissemination events (webinars)

Completed Research Projects

Research Projects within the Institute for Mental Health, School of Psychology, University of Birmingham

- Nov 2022 – Mar 2024** - **Night-time sleep duration and sleep timing trajectories across childhood and adolescence**
Role: Research Fellow and First Author of Peer-Reviewed Publication
Supervisor: Dr Isabel Morales-Muñoz
Co-authors: Professor Alice M. Gregory (Goldsmith, University of London); Professor Matthew Broome; Professor Andrew Bagshaw; Professor Steven Marwaha
Tasks: writing of the peer-reviewed paper as first author
- Oct 2022 – Dec 2023** - **Biopsychosocial model of risk and resilience**
Role: Research Fellow
PI: Dr Maria Dauvermann
Tasks: liaising with participants; data collection (screening and interviews); organisation of public engagement and dissemination activities

- Sep 2022 – Meeting the social emotional needs of adolescents with sight impairment and preventing school exclusion: The development of a digital intervention based on adolescent and adult advisory groups**
Sep 2023 (supported by the Public Engagement Fund, University of Birmingham)
Role: Principal Investigator (PI)
 Co-Investigators: Dr Maria Livanou (King's College London); Dr Stephanie Burnett Heyes; Dr Fiona Barlow-Brown (Kingston University London)
 Game Developer: Mr Alberto De Caro (Bournemouth University)
 Tasks: setting up the research team; internal grant application; ethics application; contact with national organisations and professional services; preparation of quantitative and qualitative materials; advisory group sessions with adolescents with vision impairment and professionals; thematic analysis; game storyline; supervision of the Game Developer working on the intervention and the four RAs working on the project; drafting reports and peer-reviewed paper; presentation at peer-reviewed conferences
- Apr 2023 – Mental health platform hubs**
Jun 2023
Role: Research Fellow
 PI: Professor Steven Marwaha
 Tasks: co-organisation of public engagement and dissemination activities with Birmingham and Solihull Mental Health Foundation Trust and [Youth Advisory Group - University of Birmingham](#)); support with the drafting of grant application
- Apr 2023 – Generativity and Youth Mental Health**
May 2023
Role: Research Fellow
 PI: Dr Gerald Jordan
 Tasks: scoping review
- Mar 2021 – Siblings' experiences of having a brother or sister with an eating disorder: a mixed-methods systematic review**
Sep 2022
Role: Co-Investigator
 PI: Ms Anya Heneghan (King's College London)
 Supervisor: Dr Maria Livanou (King's College London)
 Tasks: systematic review; dissemination of findings through conference presentation and writing of peer-reviewed paper

External Collaborations

- May 2022 – Aug 2022** – **Strategy to develop a University-Wide Underserved Community Public Engagement Group**
Role: Research Fellow, Faculty of Health, Science, Social Care and Education, Kingston University London (paid position)
 PIs: Professor Tushna Vandrevalla (Kingston University London) and Professor Priscilla Harries (Kingston University London)
 Co-Investigators: Dr Elizabeth Morrow (Research Support NI, Northern Ireland); Emerita Professor Fiona Ross (Kingston University London); Ms Sally Brearley (Kingston University London)
 Tasks: ethics application, preparation of quantitative and qualitative materials; one-to-one interviews and consultation discussions with university staff and community members; framework analysis; writing of the report
- Jun 2021 – Jul 2021** – **The role of reputation in sequential moral decisions: A meta-analysis of the moral cleaning, moral licensing, foot-in-the-door, and door-in-the-face effects**
Role: Research Assistant, Department of Psychology, Kingston University London (paid position)
 PI: Dr Amanda Rotella (Northumbria University)
 Research team: Dr Pat Barclay (University of Guelph); Mrs Sharmistha Chaudhuri (Kingston University London)
 Tasks: coding for systematic review
- Apr 2021 – Jul 2021** – **Exploring the service experiences of LGBTQ+ youth with special educational needs and disabilities: A multi-perspective focus group study** (supported by Equality Diversity and Inclusion Research Fund, Kingston University London)
Role: Co-Investigator and Research Coordinator, Department of Psychology, Kingston University London (paid position)
 PIs: Dr Maria Livanou (King's College London); Dr Fiona Barlow-Brown (Kingston University London)
 Other Co-Investigators: Ms Amy Montague (Kingston University London)
 Tasks: ethics application, preparation of qualitative materials; one-to-one interviews with LGBTQ+ young people with SEND and professional services; thematic analysis
- Feb 2020 – Jan 2021** – **How do specialist vision (re)habilitation services impact the lives of children and adolescents with visual impairments?** (supported by the National Lottery Community Fund and Sight for Surrey)
Role: Co-Investigator and Research Coordinator, Department of Psychology, Kingston University London (paid position)
 PI: Dr Fiona Barlow-Brown (Kingston University London)
 Tasks: ethics application, preparation of qualitative materials; one-to-one interviews with children, adolescents, parents and professional services; thematic analysis; writing of the report and paper; dissemination of findings through conferences and webinars

- Apr 2019 – May 2020** **Social support for students with visual impairments in educational institutions: An integrative literature review**
Role: Principal Investigator, Department of Psychology, Kingston University London
 Co-Investigator: Dr Maro Doikou (Aristotle University of Thessaloniki)
 Tasks: integrative review; writing of the peer-reviewed paper; dissemination of the findings through conference presentation
- Apr 2020 – Dec 2020** **Factors which explain alcohol and cigarette consumption among young adults during the COVID-19 outbreak** (supported by “Research during lockdown” Fund, Kingston University London)
Role: Principal Investigator, Department of Psychology, Kingston University London
 Other PIs: Ms Amy Montague; Dr Fiona Barlow-Brown
 Tasks: ethics application; preparation of qualitative materials; one-to-one interviews with young people aged 18-25; thematic analysis; writing of the peer-reviewed paper; dissemination of the findings through conference presentation
- Jan 2014– Dec 2014** **The research of Critical Peace Education: Types of violence in high school. A case study – The research of university students**
Role: Research Assistant, School of Philosophy and Education, Aristotle University of Thessaloniki
 PI: Professor Kyriakos Bonidis (Aristotle University of Thessaloniki)
 Tasks: one-to-one interviews with teachers
-

Academic Teaching Responsibilities

- Mar 2024 - Present** **Teaching Fellow, School of Psychology, University of Birmingham**
- Module title: LC Research Methods B (03 08635 – Psychology Undergraduate Year 1)**
 Research Methods B involves lectures, computer practical labs, workshops, self-directed learning and research participation. Using Jamovi & Rstudio to support statistical analysis.
 Workshop Sessions: Design, run and analyse a psychology experiment; Practical considerations around running experiments
- *Week 8: Writing the Abstract and Results Section*
 - *Week 9: Tips for writing Introductions & Discussions / Analysis Group Work*
 - *Week 10: Evaluating Research / Conclusions Group Work*
 - *Week 11: Open and Inclusive Science*

Course title: Forensic Psychology Doctorate Programme
Year 2

Lectures' titles:

- a) *Descriptive Statistics*
- b) *Using Statistical Software*

- c) *ANOVA and Regression*
- d) *Research Methods Practical*
- e) *Oline Data Collection and Data Quality*
- f) *Patient and Public Involvement in Research (Provisional Title)*

Year 3

Lecture's title: Critique of a Psychometric Measure

Marking

- *Statistics Test 1*
- *Statistics Test 2*
- *Essay (April 2024)*
- *Psychometric Critique (November 2024)*
- *Critical Review of Empirical Paper (November 2024)*

2 Jun 2024 **Guest Lecturer, School of Education, University of Birmingham**
Module title: *Inclusion of children and young people with sensory impairment (MA Inclusion programme)*
Seminar on Vision Impairment (Title to be confirmed)

Oct 2023 – Present **Visiting Lecturer, Department of Psychology, Kingston University London**

Module title: *Cognitive and Social Development (PS7005 – MSc Child Psychology)*

Lectures' titles:

- a) *Development of Prosocial and Antisocial Behaviour*
- b) *Vygotsky, Bronfenbrenner, and Essays*
- ***Marking of 2,500-word research proposals***

Module title: *Development in Typical and Atypical Populations (PS7006 – MSc Child Psychology)*

Lectures' titles:

- a) *Writing a Critical Review*
- b) *ASD – Diagnosis, Interventions & Policy*
- c) *ASD Theories*
- d) *Language Disorders*
- e) *Eye Tracking in Typical and Atypical Populations*
- f) *Williams Syndrome*
- g) *Face Processing*
- h) *Sensory Processing*
- i) *Typical Social and Academic Inclusion*
- j) *Atypical Social and Academic Inclusion With an Emphasis on Visual Impairment*
- k) *Language Disorders*
- ***Marking of 1,250-word critical reviews on the topic “The social and academic inclusion of students with Special Educational Needs and Disabilities”***

- *Moderation of 1,250-word critical reviews on the topic “School Transitions and typical or atypical development”*

Module title: *The Person in Psychology (PS7003 – MSc Psychology Conversion Course)*

Lectures’ titles:

- a) *Early Social Development*
- b) *Adolescent Development*

Module title: *Advanced Issues in the Psychology of Thinking (PS6008 - BSc Psychology)*

Lecture’s title: Cognition and Special Educational Needs and Disabilities

Social, Individual and Developmental Psychology (PS5002) tutorials

Key topics: Intelligence; individual differences; introduction to Developmental Psychology; language development; mathematical development; comparative cognition; attachment theory; Theory of Mind; social relations in human development; culture and social development

- ***Marking of PS5002 essays in a Developmental Psychology exam topic***

PS4004 tutorials

In-person and online L4 Personal Tutor Groups on upcoming assignments; assessments (lab reports and poster); employability skills; academic writing and data analysis; marking of three individual assessments of Foundations of Psychology (PS4002 - Level 4): Reflection on starting university (1), reflection on a skills diagnostic (2), Reflection on a group poster assignment (3); marking of Group Poster Assignment

PS5000 Psychology tutorials

Key topics: Planning and organisation; study skills; handling information; communication skills (written and verbal); working with others; scientific/practical skills; improving learning and performance; information, communication and technology; problem solving; project work

PS6002 (Advanced Developmental Psychology): Marking of two-hour exam - essay and short answer questions

15 Apr 2024 **Guest Lecturer, School Psychology Division of the Hellenic Psychological Society (online lecture; lecture topic has been subject to peer-reviewed process)**

Lecture’s title: Social and emotional development of children and adolescents with sensory impairments and the role of school

- 21 Mar 2024** **Guest Lecturer, Developmental Psychology Division of the Hellenic Psychological Society (online lecture; *lecture topic has been subject to peer-reviewed process*)**
Lecture's title: Evaluation of educational interventions and the development of an educational game for the social and emotional development of children and adolescents with sensory impairments
- Jan – Feb 2024** **University Grader of postgraduate assignment “Practical Task-Annotated Bibliography”, School of Education, University of Birmingham**
Module title: Understanding Literacy Difficulties
- 7 Feb 2024** **Guest Lecturer, Faculty of Life Sciences & Medicine, King's College London**
Module title: Introduction to Psychology 4PAHI2PS (Sport & Exercise Medical Sciences BSc)
Lecture's title: Night-time sleep duration and sleep timing across childhood and adolescence
- 14 Dec 2023** **Guest Lecturer, School of Psychology, University of Lincoln**
Module title: Vision Research (BSc Psychology)
Lecture's title: Social emotional development and vision impairment
- Jan 2023 – Mar 2023** **Guest Lecturer, Department of Psychology, Kingston University London**
Module title: Historical and Philosophical Concepts in Psychology (PS4003 – BSc Psychology)
Lecture's title: The history of Developmental and Educational Problems
- Module title: Advanced Issues in the Psychology of Thinking (PS6008 - BSc Psychology)***
Lecture's title: Cognition and Special Educational Needs and Disabilities
- Module title: Development in Typical and Atypical Populations (PS7006 – MSc Child Psychology)***
Lectures' titles:
- a) Typical Social and Academic Inclusion*
 - b) Atypical Social and Academic Inclusion With an Emphasis on Visual Impairment*
- Module title: The Person in Psychology (PS7003 – MSc Psychology Conversion Course)***
Lectures' titles:
- a) Adolescent Development and the Effect of Social Environment*
 - b) Friendship Development and Types of Bullying*
- Jan 2022 – Jul 2022** **Module Convenor, Department of Organizational Psychology, Birkbeck, University of London**
Module title: Workplace Health and Management (BUOB095HA - Level 4), one-term module

Preparation and delivery of face-to-face lectures on workplace and stress theories; work-life balance and the work-life interface; inclusivity; well-being; bullying; human error and system design; positive psychology; workplace interventions; neurodiversity; marking of case study reports.

Seminar Leader, Department of Organizational Psychology, Birkbeck, University of London

Module title: Work & Well Being (MOOP008H7 – Level 7), one-term module

Delivery of online seminars on technology in the workplace; wellbeing and mental health; engagement in the workplace; work-life balance; interventions; neurodiversity; marking of professional reports.

Sep 2021 – Jul 2022 Associate Lecturer, Department of Psychology, London Metropolitan University

Semester 3

Module title: Child Development and Behaviour (PC4053 – Level 4)

Delivery of in-person seminars on sex differences; Piaget's theory; historical themes of development.

Module title: Personality (PC4052 – Level 4):

Delivery of in-person seminars on idiographic vs nomothetic methods; reliability and validity; Freud; measures of personality traits

Semester 2

Module title: Psychology of Learning and Education (PY7021 – Level 7; PC6055 - Level 6)

Delivery of in-person seminars on the debate “nature vs nurture”; autism; reading comprehension impairment; use of bibliographic databases.

Module title: Social and Cultural Understanding of Us and Others (PC5067 - Level 5)

Delivery of in-person seminars on intergroup relationships and prejudice; Kelley's Covariation Model of Social Attribution; role relationships and identity; biases as part of social cognition.

Module title: Social Influences on Thinking and Behaviour (PC4055 - Level 4)

Delivery of in-person seminars on the Stanford Prison Experiment; Drive Theory and Evaluation Apprehension Theory; Theories of Reasoned Action & Planned Behaviour; explanations of aggression; The Yale Approach to Communication & Persuasion; Attribution theory & Interpersonal relationships; Assortative Mating; romantic attraction and relationships.

Module title: Cognition and Behaviour (PC4054 - Level 4)

Delivery of in-person seminars on the Brown-Peterson Task; Wisconsin-Card Task; long-term and short-term memory; language; thinking and reasoning; attention.

Module title: Foundations of Research in Psychology (PC3003 – Level 3; including the moderation of quantitative and qualitative lab reports)
Delivery in-person seminars on thematic analysis

Module title: Psychology of Everyday Life (PC3002 - Level 3)
Lectures' titles:

- (a) Adolescent Development*
- (b) Social inclusion: Why is it so Important in School?*
- (c) The Role of Vision in Development*

Semester 1

Module title: Development Across the Lifespan (PC5055 – Level 5)
Delivery of face-to-face and online academic seminars on childhood and infancy, perception and cognition in infancy, Theory of Mind, language acquisition, memory development, maths development, development of intelligence and intellectual functioning in old age, critical evaluation and building arguments in psychology assessments (assessment preparation)

Module title: Individual Differences (PC5056 – Level 5)
Delivery of face-to-face academic seminars on reliability and validity and assessment preparation

Module title: Personality (PC4052 – Level 4)
Delivery of face-to-face academic seminars on idiographic vs nomothetic methods, Freud, mood and needs, personality, biological basis of the Big 5 Personality Traits and positive psychology.

Module title: Child Development and Behaviour (PC4053 – Level 4)
Delivery of a face-to-face academic seminar on child abuse and marking of academic essays on attachment styles.

**May
2022**

Guest Lecturer, ICPS, College for Humanistic Sciences (ICPS is an international partner of UCLAn since 2007)

Module title: Advanced Developmental Psychology Project (PS4906 – MSc Child Psychology)
Lecture's title: Cyberbullying; Tips to Protect and Support Students

University Grader of postgraduate assignments on qualitative research and analysis (MSc Child Psychology), ICPS, College for Humanistic Sciences

Sep 2018 Hourly Paid Lecturer and Seminar Leader, Department of Psychology,
 – Sep Kingston University London
 2022

Module title: Methods and Statistics for MSc Psychology Conversion course (PS7001 - Level 7), two-term module

Preparation and delivery of in-person and online seminars on Qualtrics; JASP; descriptive statistics; Z-scores and normal distribution; ANOVAs (one-way, two-way, repeated measures, factorial); planned comparisons and post-hoc tests correlation analysis, regression (simple and multiple); factor analysis; semi-structured interviews and IPA; marking of quantitative and qualitative reports.

Module title: Psychology Research Methods 2 (PS5001 - Level 5), two-term module

Preparation and delivery of in-person seminars on literature searches, ethics, and research design; SPSS; inferential statistics; central tendency and dispersion, standard deviations; Z-scores and t-tests; correlation analysis; regression analysis; ANOVA; chi-square and associations; non-parametric tests; qualitative research; mixed-methods; marking of quantitative and qualitative reports.

Module title: Psychology Research Methods 1 (PS4001 - Level 4), two-term module

Preparation and delivery of in-person seminars on aims, research questions and hypotheses; experimental designs; cross-sectional and correlational designs; ethics; reliability and validity; SPSS; descriptive statistics; inferential statistics; t-tests; correlation analysis; non-parametric tests; chi-square; thematic analysis; marking of quantitative and qualitative reports.

Module title: Advanced Developmental Psychology (PS6002 - Level 6), two-term module

Preparation and delivery of online and face-to-face academic seminars on infants' cognitive and perceptual development, objecthood, number and language development, origins of knowledge, early socio-emotional development, prosocial and antisocial behaviour, Williams Syndrome, Vygotsky and Bronfenbrenner's theories, assessment preparation (teaching and discussing ways of presenting ideas/ concepts/ statements/ evidence), marking of academic essays on infant cognition.

Module title: Advanced Issues in the Psychology of Thinking (PS6008 - Level 6), two-term module

Preparation and delivery of online academic seminars on communication and language, numerical cognition and representation and categorisation in animals.

Module title: Social, Individual and Developmental Psychology (PS5002 - Level 5), two-term module

Preparation and delivery of online academic seminars on language and mathematical development and comparative cognition, marking of academic essays on language development.

Guest Lecturer, Department of Psychology, Kingston University London
Module title: Development in Typical and Atypical Populations (PS7006 – MSc Child Psychology)

Lecture's title: Blind Children's Socioemotional Development

Module title: The Person in Psychology (PS7003 - Level 7)

Lecture's title: Bronfenbrenner's Socioecological Model

Module title: Forensic Mental Health & Criminal Behaviour (PS5010 – Level 5)

Lecture's title: Alumni-Career Pathways

Module title: Foundations of Psychology (PS4002 - Level 4)

Lecture's title: Lessons from Evolution (evolutionary theory, natural selection, notion of fitness and applications)

Mar 2020 – Aug 2020 **University Grader in Psychology modules, Department of Psychology, Kingston University London**

Module title: Mental Health and Brain Function (PS5008 - Level 5)

Marking university assignments on Schizophrenia

Module title: Historical and Philosophical Concepts in Psychology (PS4003 - Level 4)

Marking university assignments on Freud and internationalisation

Module title: Practical Research Skills (FY3002 - Level 3)

Marking academic posters

Supervision and Mentorship

Eight BSc dissertations

Kingston University London (October 2023 – Apr 2024)

- PS600 – **Co-Supervisor** of five BSc students working on the same research project on trust, trustworthiness, and personality traits (Christy Joseph, Noor Malik, Rebecca Maguire, Jessica Brand, Alishba Jahangir)

ICPS College for Humanistic Sciences (Jan 2022 – Apr 2022)

- Anastasios Maragkoulias, BSc Forensic Psychology (**Main Supervisor**)
- Alicia Tampakou, BSc Psychology (**Main Supervisor**)
- Vasiliki Tigkilian, BSc Psychology with Psychotherapy & Counselling (**Main Supervisor**)

22 MSc dissertations (12 main supervisions and 10 co-supervisions)

Kingston University London (Mar 2023 – Apr 2023; covering for sick leave)

- Isabella (Izzy) Mercer-Ross, MSc Child Psychology (**Main Supervisor**)
- Victoria Cole, MSc Psychology (**Main Supervisor**)
- Mariya Balaiyawala, MSc Clinical Applications of Psychology (CAPS) (**Main Supervisor**)
- Diana Hritcu, MSc CAPS (**Main Supervisor**)
- Dulcie Cynthia Karthikeyan, MSc CAPS (**Main Supervisor**)
- Sarah Tamunobelema Onasanwo, MSc Psychology (Conversion) (**Main Supervisor**)

ICPS College for Humanistic Sciences (Jan 2022 – Aug 2022)

- Lydia-Xanthi Athanasiou, MSc Psychology of Child Development (**Main Supervisor**)
 - Ckikonti Krisianta, MSc Psychology of Child Development (**Main Supervisor**)
 - Maria Lagou, MSc Psychology of Child Development (**Main Supervisor**)
 - Eleni Nikola, MSc Psychology of Child Development (**Main Supervisor**)
 - Georgia Malamateniou, MSc Psychology (Conversion) (**Main Supervisor**)
 - Angelos Adamopoulos, MSc Psychotherapy (Cognitive Behavioural Therapy) (**Main Supervisor**)
 - Eirini Cheimonidou, MSc Forensic Psychology (Co-Supervisor)
 - Vasiliki Kontopoulou, MSc Psychology of Child Development (Co-Supervisor)
 - Elisavet Siapekidou, MSc Psychology of Child Development (Co-Supervisor)
 - Jamila Maria Eleni Mavropulu, MSc Clinical Psychology (Co-Supervisor)
 - Dimitrios Starakis, MSc Clinical Psychology (Co-Supervisor)
 - Pavlina Kyriakou, MSc Systemic Psychotherapy (Co-Supervisor)
 - Ioanna-Maria Markaki, MSc Systemic Psychotherapy (Co-Supervisor)
 - Andromachi Sdoukou, MSc Systemic Psychotherapy (Co-Supervisor)
 - Sofia-Ioanna Tseferidi, MSc Systemic Psychotherapy (Co-Supervisor)
 - Aikaterini Tsireka, MSc Systemic Psychotherapy (Co-Supervisor)
-

Member of Scientific Committees

Aug 2023 - Present - Member of the Scientific Committee co-editing a special issue on participatory research in child and adolescent mental health for the journal [JCPP Advances - Wiley Online Library](#)
Role: Guest Editor

May 2023 - Present - Member of the Scientific Committee developing the Hellenic Psychological Society Code of Human Research Ethics and Practice, Hellenic Psychological Society <https://elpse.com/>

Organisation and Delivery of Public Engagement Events and Activities
